Introducing
Together Property
Management

**HKM has been acquired
to create a stronger,
more efficient and
customer focused property
management company.**

Together Property Management has recently been created through a management buyout of HKM. The new company has a dedicated focus on putting customers at the heart of its operations, working together with individuals and communities to provide a premier service in property management. We manage property assets with a combined value in excess of £2.4 billion.

Specialist
Property
Management

Open and
responsive
approach

Friendly and
professional
service

FRIENDLY+ PROFESSIONAL

We are devoted
to delivering quality
estate management
and associated services

Together Property Management
offers specialist property management
services ranging from building
maintenance and repairs, surveying
and insurance, as well as everything
from cleaning, gardening and lift
maintenance to the preparation of
annual accounts. Most importantly
ensuring compliance with the lease
and current legislation.

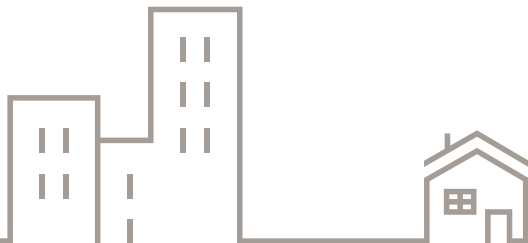

URBAN + RURAL

Together Property Management

has employed the most qualified people to utilise their skills and expertise. As a company we will be building on long-standing relationships, which have been acquired over many years of operating with integrity and honesty, and adopting a more inclusive approach with our valued customers. For example, we have invested in an advanced online Customer Portal to give customers more control of the services we provide.

We are very much dedicated to working together with our customers, rather than just working for them.

This **working together** value is also at the heart of the company's internal working practices, with employees being encouraged to give something back to the community. Each colleague is given an extra paid day of annual leave to help with good causes, which could be volunteering at a local charity or fundraising for a cause they believe in.

We're here to help

Whether you're an existing customer with a query on your account, or a potential customer seeking information or guidance, please get in touch.

Our specialists are here to advise you on any aspect of managing and maintaining your property.

Out of office hours:

Between the hours of 5pm–9am and over bank holidays, please phone 01455 554 746 or 07811 339 839
